Why Walk?

Live Longer!

For every additional mile we walk we add 20 minutes to our lives.

It's free!

You don't need any special equipment, just a pair of comfortable walking shoes.

Do it anywhere, anytime!

Walk in your local park or neighborhood trail, shopping mall or fitness center.

Burn calories!

Walking burns almost as many calories per mile as running.

Lengthen your life!

Reduce blood pressure and strengthen your heart and lungs.

Feel better!

Boost your mood, relieve stress, strengthen your muscles and sleep better.

Anyone can do it!

No special training needed.
